To whom it may concern – Reference / Testimonial – Giles Benton

I have worked with Giles on numerous commercial property matters over the last 5 years and on each such matter have found Giles to be highly professional in his approach to all aspects of the transaction and highly effective in achieving his client's desired outcome.

On a regular basis, Giles has demonstrated an excellent knowledge of the property market, a pro-active approach, attention to detail, the ability to present clear pragmatic instructions and, when necessary, the ability to develop a strategy resulting in him meeting and often exceeding his client's expectations.

In challenging market conditions, such skills are imperative and will often give property owners the edge required in order to progress and stay ahead of the market.

I would be pleased to speak to this reference / testimonial.
